Ok rodders. This is just a small list of events in Texas. You don't see your event or maybe one you want me to post ya gotta let me know. You need to email to firemanjack101@gmail.com or text to 832-622-0139. Remember this your club and your newsletter. Since I live on the gulf coast, I try to include all Texas but you gotta help. And before you head to any events listed, please call ahead. Things happen.

Thanks, and see you down the road.
